**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 19 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**CAUSE**

Due to the ruling from the Ninth Circuit Court of Appeals in United States v. Stephens, the Court is required to set a maximum amount of drug testings when a defendant is ordered to completed random testings. Mr. Castilleja's Judgement does not set the maximum number of testings to be preformed.

Respectfully submitted,

by

Al Barrett

U.S. Probation Officer
